Mark Update: Cover Half of EUFN, BNPQY.PK, SCGLY.PK, CRARY.PK Shorts

Dear Subscribers,

Our European Bank shorts are performing beautifully. As I write this, EUFN is up 5%, BNPQY.PK is up 5%, SCGLY.PK is up 7%, and CRARY.PK is up 6%.

How's that for a little over one week?

Let's take half of these positions off the table.

Action to Take: Cover Half of your European Financial ETF (EUFN) SHORT

Action to Take: Cover Half of your BNP Paribas (BNPQY.PK) SHORT

Action to Take: Cover Half of your Societe General (SCGLY.PK) SHORT

Action to Take: Cover Half of your Credit Agricole (CRARY.PK) SHORT

Best Regards,

Graham Summers
