

PRIVATE WEALTH ADVISORY

A PHOENIX CAPITAL RESEARCH PUBLICATION

MAY 23, 2011

Dear Subscribers,

It's time to buy two of our three deflation trades:

Action to take: Buy the Dollar Bullish ETF (UUP)

Action to take: Buy the UltraShort Materials ETF (SMN)

I'm still waiting on our speculative Silver short.
We need a rejection at resistance before I'd
short Silver at this time (this is only a short-term
play).

Good Investing!
