

# PRIVATE WEALTH ADVISORY

A PHOENIX CAPITAL RESEARCH PUBLICATION

JUNE 23, 2011

Dear Subscribers

We just got a buy signal on several of our "on deck" investments.

**Action to take: Buy the UltraShort Agriculture ETF (AGA).**

**Action to take: Buy the UltraShort Brazil ETF (BZQ).**

I'm monitoring the markets closely. We've yet to get buy signals on our other "on deck" trades, but we're getting close.

Good Investing!

Graham Summers
